Dear Mike:

Our Program Book is the source of funds that enable us to offer young musicians support and present live programs of fine music. Your generous participation in the Program Book made a fine contribution to our organization. Thank you for your gift of \$375.

I hope you will look for your ad in the book and be pleased with its appearance. Audiences at all our events this season will see your advertisement and we encourage them to patronize you.

You will be placed on our mailing list, so watch your mail for news of our upcoming events. Again, thank you for supporting the Connecticut Alliance for Music.

Sincerely,

Suzanne R. Kanner
