

dedicated to finding a cure

JDRF GALA 2010

Puttin' On The Ritz

Thank You!

Dear Mike, Tom, Corinne and Jackie:

I cannot thank you enough for your extremely generous donation to the JDRF's 2010 Auction. Your donation was the talk of the auction and was one of the highly sought after items!

I understand that the garden is just beautiful. Jackie, thank you for taking on this project.

You have so many requests for donations and I really appreciate your time and generosity.

We are so close to finding a cure for Type 1 Diabetes and your donation will go a long way. We raised \$1.2 million dollars this year so I know that will have a tremendous impact.

Hope you enjoy your summer.

Warmest Regards,

Sam ☺
