Dear Friends:

On behalf of the New Canaan Nature Center, I would like to express sincere thanks for your generous silent auction contribution of two planted urns, valued by you at \$700, to the 50th Anniversary Gala, *Under Nature's Spell*.

The Gala was truly a spectacular event that reflects the bountiful support and care of so many. Together we raised \$250,000 and exceeded our every expectation. These funds will catapult the Nature Center into the future, ensuring a great start to the next 50 years.

From 1960 through today many people – members, volunteers, and staff – have contributed to preserving and enhancing these 40 acres of extraordinary open space and have served the community with exceptional environmental education, beautiful gardens and trails, and much-loved community events. Thanks to your support, the board and I look forward to implementing our vision for the future of this community treasure.

Please accept my heartfelt thanks for your contribution.

Sincerely,

Laura Heckman
Executive Director
