Thank you for your generous donation to The Leukemia & Lymphoma Society's (LLS) Hops & Grapes, Toasts & Tastes event held on Friday, April 23, 2010. Through our combined efforts, LLS raised approximately \$40,000 towards it's mission: cure leukemia, lymphoma, Hodgkin's disease, and myeloma, and improve the quality of life of patients and their families. Your thoughtfulness is deeply appreciated.

For over sixty years, LLS has focused on finding cures and better treatments for patients with blood cancers. Today, it is the largest voluntary health organization specifically dedicated to leukemia, lymphoma, Hodgkin's disease and myeloma with more than \$680 million committed to research since its founding in 1949. With generous support from donors like you, survival rates for some blood cancers have doubled or tripled in the past few decades. For others, sadly, progress has been more challenging. Much work remains to be done.

With chapters across the United States and Canada, we are able to help patients and their families throughout their cancer experience, from diagnosis through treatment. If we can be of assistance to you or to someone close to you, please don't hesitate to contact us at 203-665-1400 or at [www.lls.org/ct](http://www.lls.org/ct).

Thank you for joining in our lifesaving efforts.

Sincerely,

Dina Mariani  
Deputy Executive Director, Connecticut Chapter
