

Hoffman Landscapes, Inc. a NATIONAL AWARD WINNING DESIGN/BUILD AND PROPERTY MAINTENANCE company has an immediate opening for a PERENNIAL GARDNER.

At Hoffman Landscapes, we specialize in residential landscapes of distinction. Your job as a project director will be to develop new business and drive sustainable growth for our Wilton, CT branch office.

Your responsibility as Perennial Gardner will be to manage and maintain the perennial gardens and shrubs for our discriminating clientele. Duties will include selecting, planting, and maintaining extensive perennial gardens throughout Fairfield, Litchfield and Westchester Counties.

Work hours are flexible and can be built around your summer schedule. On certain projects, you will be working in conjunction with our installation teams to create the 'ideal' landscape.

All candidates are required to be self-motivated, solution oriented and have a positive attitude. In depth knowledge of perennials, annuals and ornamental shrubs is required. Certification as a Master Gardener, with the NYBG or other horticulture training programs is a plus.

Hoffman Landscapes offers an attractive benefit package that includes a competitive salary, health insurance, dental insurance, simple IRA, vacation and holidays. We also offer the excitement and opportunity that can only come from a company that is financially strong and committed to growth.

If you are interested in joining the team at Hoffman Landscapes, please forward your resume to [Maryann@hoffmanlandscapes.com](mailto:Maryann@hoffmanlandscapes.com) or fax Attn: Maryann (203) 834-7897
