

Mitchells in Bloom

The first annual Mitchells Flower Show ushered in spring by featuring work by floral artists, event planners and landscapers. "The creativity and talent were just incredible, and the whole show inspired a feeling of optimism," said Andrew Mitchell. The week included special events, such as Monica Rich Kosann photographs; an Hermès clinic; and a luncheon with Brunello Cucinelli. Trunk shows were presented by Agnona, Escada, Paul Morelli, Charles Chang Lima, Gurhan, Lela Rose, and Caroline Ellen. Exhibitors included Nielsen's, K.D.J. Botanica, The Flower Basket, Geiger's, Gilbertie's, Diana Gould, Elegant Effects, Flowers by George, Hoffman Landscapes, Twombly Nurseries, Greenwich Orchids, and Stewart Flowers & Gifts. **W**
