SLEEP ON A DEAL

When you think about how many hours you spend in bed, it makes sense to invest in good bedding.

Luckily, that shouldn't cost nearly as much as you think. Brooklinen is an e-commerce brand that delivers hotel-quality bed sheets without the inflated prices by eliminating the middlemen and retail outlet costs.

GRILL OUT IN LIVING COLOR

Now even serious charcoal-grilling purists can put a splash of color in their lives with the Caliber Pro Kamado Charcoal Grill & Smoker, shown here in turquoise.

CREATE SOME BUZZ

Protecting pollinators is necessary to ensure healthy

ecosystems and maintain food production. Help them by choosing plants that provide habitats for bees, butterflies, hummingbirds and more. The experts at Troy's Garden Nursery can help you.

SPLURGE ON A COUTURE CANDLE

France's oldest candle manufacturer (which

provided candles to the French Royal Court) has moved into our neck of the woods! Historic Cire Trudon was founded in 1643 and still maintains their candle production in Normandy. Try Ernesto (leather and tobacco) and Abd El Kader (Moroccan mint tea).

GO WITH THE GRAIN

Although generally known for its hand-blown glass, Simon Pearce now has a warmer, earthier medium. Each of Andrew Pearce's distinctive bowls is cut from a wood block to highlight the natural curves and unique grain patterns and then hand finished. Available in black walnut and cherry.

GET FIRED UP

Take full advantage of the shoulder seasons in the Northeast and add an outdoor fireplace

and living area to your backyard. The full-service architects at Hoffman Landscapes can design and build exactly that kind of space, or any variety of firepits.
