REVIVAL

Kudos to **Dr. James Aris** and his staff for taking on the restoration and renovation of the familiar antique clapboard Greek Revival house located at 436 Danbury Road in Cannondale. Working with local architect Rob Sanders, a specialist in historic properties, and other local service providers, the house has been refurbished, buffed up inside and out, and is now painted a distinctive sunflower yellow that is historically appropriate. The former Cannon House now also has hospital grade updates and is the home of Dr. Aris's practice: Advanced Dentistry of Wilton. advanceddentistryct.com
