

Landscape Property Manager

Job location: Stamford, CT

Job type: Full-Time

Job Description

HOFFMAN LANDSCAPES, INC. is seeking qualified candidates for Landscape Property Manager. As a Landscape Property Manager, you will manage and maintain the landscapes of distinctive properties throughout Fairfield and Westchester Counties. You should have a minimum of 3-5 years' experience. Top candidates might have a degree in horticulture, possess a supervisory license or may be a former business owner in a similar or related industry. All candidates are required to have a strong work ethic, be self-motivated, solution oriented and have a positive attitude. You will need strong organizational, communication and management skills. Specifically, you will need the skills and experience required to:

- Supervise, schedule, train and mentor production crews
- Work independently and in a group with project deadlines and budgets
- Communicate with clientele verbally and in writing
- Work with Microsoft Office programs and become proficient with our business management software

Hoffman Landscapes offers an attractive benefits package that includes a competitive salary, health insurance, dental insurance, simple IRA, vacation and holidays. We also offer the excitement and opportunities that can only come from a company that is financially strong and committed to growth. Hoffman Landscapes serves residential clients located in Fairfield and Litchfield Counties in CT and Westchester County in NY. Hoffman is a Top 100 Landscape Company and a Top 100 Snow Services Company. Hoffman Landscapes has a 30-year track record of 10% plus yearly growth, a reputation for top-notch customer service and a positive working environment. If you are interested in joining the team at Hoffman Landscapes please forward your resume to our Talent Recruiter MaryAnn at employment@hoffmanlandscapes.com or feel free to call or stop by.
